

Are you involved in your community?
 Are you a volunteer or staff member with a local organisation?
 Do you want to have your voice heard? If yes, then read on...

Locality Networks

The Volunteer Centre North Lanarkshire and CVS North Lanarkshire have joined forces to deliver an exciting pathfinder project, **Supporting Voluntary Action (SVA)**, for the benefit of the local voluntary and community sector

As a key element of the project, the Volunteer Centre is facilitating six '**Locality Networks**' for members of volunteer-involving organisations, volunteers, active citizens and those with an interest in community and voluntary development to come together to discuss key issues affecting their organisations and their community.

The Volunteer Centre would like to invite you or a representative of your organisation to come along to your nearest Locality Network meeting. Locality Network meetings will take place every three months. Dates have been scheduled for the first meeting of each Locality Network. These will be held as follows:

WISHAW AND SHOTTS AREA LOCALITY NETWORK

Thursday 12 February 2009 / 10am – 1pm / Volunteer Centre Training Suite (former church building), Kenilworth Avenue, Wishaw, ML2 7LP
